Not all students qualify for federal aid, and that's okay! Phagans offers in-house payment plans designed to help you spread your tuition across manageable monthly installments.

How It Works:

- Set up a payment schedule through our Financial Aid Office
- Plans are customized based on program cost and expected aid
- Payments may be due monthly or at key intervals

Budgeting

FOR BEAUTY SCHOOL

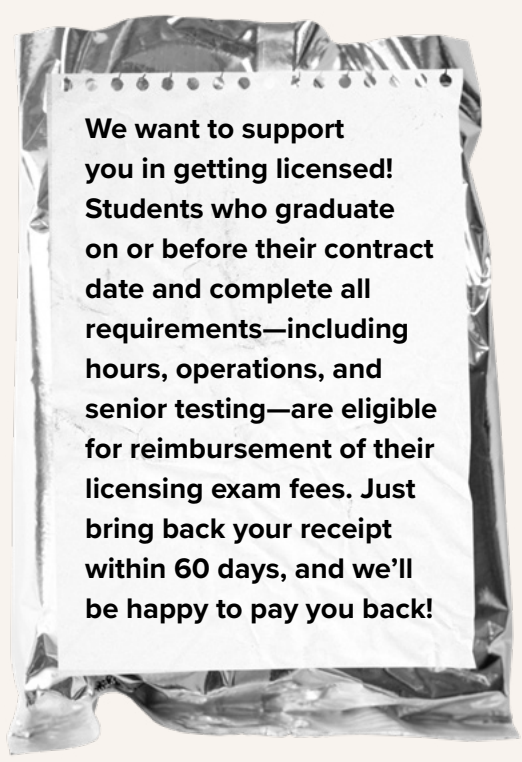

In addition to tuition and supplies, don't forget to plan for:

- Licensing exam fees*
- Transportation
- Food, rent, and personal expenses
- Childcare (if applicable)

Budget Tips:

- Use a spreadsheet to track fixed and variable expenses
- Set aside money for emergencies
- Look for student discounts on software, beauty tools, and groceries

**WE'RE HAPPY TO HELP YOU BUILD A BUDGET THAT
WORKS WITH YOUR LIFESTYLE AND LEARNING GOALS.**

**We want to support
you in getting licensed!
Students who graduate
on or before their contract
date and complete all
requirements—including
hours, operations, and
senior testing—are eligible
for reimbursement of their
licensing exam fees. Just
bring back your receipt
within 60 days, and we'll
be happy to pay you back!**
